

Museum Night Kids

Detectives & Daredevils

Speciale event Museumnacht Den Haag: Saturday 18.03.2017

Open: 5 tot 10 PM

Locatie: West in Huis Huguëtan, Lange Voorhout 34, 2514 EE Den Haag

You are the HERO in the exhibition of Girardet & Müller. As a true detective you look for the ideas and starting points of the artists. A parrot, a typewriter, butterflies, a special briefcase, a clock, all clues in the pictures and tense films. Together or alone you search for the main character, the suspect and the motive of the artists.

Willem de Ridder*, the master storyteller of The Netherlands, offers a special audio tour that makes your hair stand up. And in addition, you can also plop down in a bean bag and watch a movie in Popcorn Corner.

This program is a little scary and therefore not suitable for kids under 8. But all cold-blooded detectives between 8 and 12 are welcome!
